

UAMS CELEBRATES OUR DEDICATED NURSES

For the past nine years, a highlight of National Nurses Week at UAMS has been the Center for Nursing Excellence (CNE)-sponsored Professional Practice Fair (PPF).

The day-long event showcases UAMS nurses and highlights the accomplishments and contributions they've made throughout the year. Their involvement in a wide-range of activities demonstrates their dedication to nursing practice, which extends well beyond the bedside.

This year's PPF featured a silent auction of more than 50 baskets donated by departments and individuals. Auction proceeds benefited the CNE Fund, which supports a variety of clinical and professional development activities and initiatives for UAMS nurses.

If you want a nursing career where nurses are valued and supported, consider UAMS.
