

# UAMS NURSES SUPPORT THE COMMUNITY

Unit E6 - Perinatal representatives conducted a car seat safety check event in Maumelle on Nov. 7.

**UAMS nurses don't stop helping people when their shifts end! Here are just a few of the many ways they gave back to the community at the end of 2015:**

- The **Ambulatory Council** of the Professional Nursing Organization teamed up with the UAMS Good Neighbor Committee to help provide Christmas gifts for Woodruff Elementary Pre-K students.
- **Surgical Services** collaborated with the Physical Plant Department through participation in a toy drive benefiting the Arkansas Dream Center.
- The **Women's Health Service Line** collected requested items for the Dorcas House, a rescue mission that provides emergency services – such as food, shelter, clothing and crisis intervention – to more than 400 women and children annually.
- **Unit H4 - Surgical/Cardiovascular Intensive Care** launched "Operation Warm Feet for Christmas" to collect 150 pairs of new socks to donate to patrons of the Stewpot - Little Rock.
