

“This little piece of greenery has made all the difference. We are able to be close enough if a patient need arises and far enough away to enjoy the sunshine and comfortable chairs!”

If you want a nursing career where nurses are valued and supported, consider UAMS Nursing.

## UAMS Health: Caring for the Nurse

UAMS created a 'Healing Garden' by using existing space for staff to enjoy an outdoor respite while having a meal, taking a break or enjoying the tranquility of the garden. In addition, UAMS recently added a 'Rejuvenation Room' that is open 24/7 with ID Badge access. This space also provides a calming environment for nurses and staff to take a break from the demands of providing direct patient care.
